# INTRODUCTION

**Established over the last twenty years, Transgate LTD is a family-owned business. We specialize in consistent high-quality, environmentally friendly packaging commodities for the catering industry.**

**Experience and market trends have enabled Transgate LTD to understand customers' requirements for higher quality products. Our vision is to deliver what you want while also being affordable. With our manufacturing partners across the globe, we have the resources to supply and procure direct containers to the wholesale market.**

**With over thirty years of experience in the packaging industry and extensive research, we have produced a brand that has successfully saturated the market. The brand is suitably named PREMIUM as our products are second to none and are truly of the finest quality.**
